

# Color Ons - A Simple Explanation

A Color-on is simply an Iron-on tee shirt transfer that the child colors first and then is applied to the child's shirt by a parent or teacher.

- Color-Ons Use Ordinary, inexpensive Crayons
- Are extremely Interactive
- They Stimulate Creativity
- They Build Pride
- Color-Ons are Educational, the Child learns about what they are coloring
- The Design Remains on the Shirt and is Waterproof
- They are Very Affordable
- Color-Ons are Economical
- When the Child Wears the Shirt, the message is Broadcast to the Community

Color-Ons are a wonderful, new way to get your message out, and are fun to use at the same time. Thank You for your interest.
